“ I am truly sorry for your loss, please accept my sincere condolences. I hope the Madden family find comfort and strength in Jesus promise along with our heavenly father Jehovah of the earthly resurrection, where death will be eliminated forever. Truly, what a glorious and almost unbelievable day that will be! It's a reality though for God cannot lie!

“ My brother is a loving and devoted father to his four children, a protective younger brother, a loyal and supportive friend and brother to his extended Florida friends and son to his stand in father Joe. He has an infectious laugh, great sense of humor, beautiful baby blue eyes, a love of all things Marvel, and would give you the shirt off his back. I love you Matthew.
