“ *BoBo, I see your touch on everything. I miss you so much and you fill my thoughts when I lay down at night. You held me, bandaged my boobos, and made me your little girl. There is a hole in my life now that you occupied. I know you are with God and I know you are having a wonderful time seeing everyone and worshipping Jesus.*

“ *I was very saddened to hear about Aunt Myrtle. I enjoyed visiting with her, going out to eat and our shopping trips. Aunt Myrtle and I loved our bling! I will cherish all of our memories together. She was such a beautiful woman of God both inside and out! I will miss her very much!*

“ *Aunt Bodie, Oh how you will be missed. The stories you would tell of my growing up years will remain with me always, what wonderful memories I will cherish. You were such a great influence on my life . We always looked forward to our visits knowing you would have my favorite foods, but most of all I will miss you calling and saying Fred, I have your peanut butter fudge ready, and you would really laugh when I would offer someone just one piece and hide the rest. Aunt Bodie , there is one thing I know , you are now Resting in Jesus Arms.*
