“ Mom, you were one of the only people in my life who I could truly count on to love and support me through all things. I would not be who I am today without your guidance, patience, and a much needed wake up call when I was going in the wrong direction. It still doesn't seem real to me that you won't be here whenever I need advice, of someone to listen when I have a problem. I know you are now in heaven with Dad and at peace, I love and miss you Mom.
