“ Nancy is my Great Grandmother, My mother is Elizabeth Hughes(Dillard), Herbert Garland (Butch) Dillard is my grandfather, there is no wonder that he was the best grandfather ever, he came from the most kind hearted, loving, and godly woman I know. My grandmother regretly didn't get to met the youndest member on Herbert Butch's side of the family, William Wyatt Duckworth Born January 12, 2010. That was the most important meomory I wanted to have to tell my son about. Granny I love you with all my heart. I will never forget you.

“ From the beginning as a family member, Mom has always been there for me. Everyone knows I felt as if she was my second mom. Great mother-in-law. Always caring, always trusting. Our girl time was sharing secrets. Wish I could have been closer. Going to miss our talks on the phone. she was mom. Loved her very very much.
