“ Hi Mom, Missing you alot. You and dad. Talking on the phone with you made me feel so much better. Family is a mess. I know you wanted us to get closer but that will never happen we are all so different. Some just want for them selfs. And I felt really sorry for dad living here without you. He hated living in the house, he started drinking and was very lonely. So in that aspect I am glad you and dad are together again. Keep loving each other and I will see you both again. LOVE AND MISS YOU!!!! JOAN

“ Dearest Mom: You and Daddy are now both together laying in Jesus' arms and no longer in any pain and both at Peace. You have been out of my life for 17 months and Daddy one month and it seems like a lifetime already. You and Daddy are back with each other for eternity...Again, at Peace...I know in my Heart that you are looking down upon all of us..Hoping, wishing and most of all caring that we could all get along....Well, for some it may happen and stay for ever but for most it will never happen.....I miss you both so very much and will always stay true to my Heart. The ache in my Heart will remain there for a very long time, but I will have a lot a very Happy Memories of You and Daddy and my boys for a lifetime to share...Love and Miss you Sincerely, your Daughter with the gift of gab as you would put it. GOD BLESS!!!!
