

Nancy Jenkins

January 17, 1954 - August 19, 2022

Dear family and friends, it is with great sadness that we announce the passing of our mother, Nancy Jenkins on August 19, 2022.

Nancy was a kind and caring soul, beloved by all, and a pillar of strength, joy, and love in our family. Her passing came as a surprise, but she went peacefully, and we take solace in knowing that her bright spirit lives within us.

Although we are heartbroken, it would bring us great comfort to be surrounded by those who loved and cherished her, and those whose lives she touched.

We invite you to join our family while we celebrate the life of our mother and what she meant to those lucky enough to have known her.

“ I met Nancy over 20 years ago in training class for Delta Airlines. We ended up rooming together in Boston. We kept in touch over the years and I was checking her address online before I sent out my annual Christmas card to her. I was heartbroken to find her obituary. Nancy was strong, compassionate, and full of life. She was a "shining light" in my life and I was so blessed to have known her.

“ *We are both patients of Dr. B. We dealt with Nancy in the office, on the phone and so on. Nancy was the type of person who truly served people in a special way. On occasion she went out of her way even on a Sunday to help patients. She will be sorely missed as this angel of mercy will never be forgotten.*

Prayers to the family and friends, 🙏

“ *I am sorry to hear of the passing of Nancy. I only recently met Nancy through Dr. Badanek's office, but even through our few interactions she impacted me. As a new mother in a new town, she eagerly gave me thoughtful recommendations to help me navigate some of the challenges we were facing. It was very obvious she was a caring soul willing to brighten up your day. Very sorry for your loss!*

“ To my dearest Nancy (Nace); most special and devoted friend, work co-hourt, devoted mother and grandmother and most of all lover of life and all those she touched in her own special way. My relationship with Nancy spanned in excess of 15-20 years as a patient, co-worker in our office and a deep interpersonal loving relationship of Nancy and her family. There are not enough words or enough space on this document for me to write all my thoughts, feelings and admiration for this most loved, gifted and talented sole sent to all from Almighty God. I truely believe that through all Nancy's toils and interpersonal issues and obstacles she faced during her life her MAIN goal was to be focused on loving and serving her family and the less fortunate with health challenges with kindness and words of wisdom. Nancy was a born gifted healer of Natural Medicine and she showed her love and compassion with this gift on a daily basis for the countless thousands of soles she touched in our office along with her family and friends. Day or Night, weekdays or weekends, Nancy would recieve calls from active patients or perspective patients and she would always give, unselflesly her kind and gentle advice. But the most loved and treasured gift Nancy had in her life was her first grandchild; Colton Jenkins (Colty). He was her gift from God and she was the most devoted grandparent I have ever known. It was as though she knew that some day very soon in Colties life she would not be there for him, so she packed in with him everything immaginable that a grandparent could do for her "special little man". WE are all going to miss you so very much dearest Nancy and you will always be etched with your love, kindness and generosity in our hearts forever. God Bless and Keep You Safe in his arms my dearest Nancy now and until we meet again, WE LOVE YOU. Dr. Michael John Badanek
