“ *Although I didn't know your mother well, she seemed a sweet and gracious lady. I know you will miss her terribly. I only hope the good memories help you through this sad time.*

“ Dear Grandma and Nana, we all miss you so much. I remember all of the times that you helped me and my family whenever we needed it. You enjoyed making arts and crafts, traveling, playing bingo and many delicious Italian meals that you used to cook. You and Grandad were like a second mother and father to me, and I am very grateful and blessed for having such wonderful Grandparents. I miss you very much and still can't believe you are gone. But, the only consolation that I have is in knowing that you are in a better place now and I hope they have BINGO! We love and miss you grandma. Love Christine, your granddaughter, Ronnie your grandson-in-law, and Alexis your great-granddaughter.
