“ My sincerest sympathies, Don, Nicole and Donnie. I have so many fond memories of the trip to Europe we all were on. There will certainly be a void that no one else can fill, but try to celebrate her life. Hold on to each other.

“ Nancy was such a classy lady and excellent IB teaching colleague. I never met a student or teacher who didn't love her. Elaine and I will always cherish our trips to Europe with Nancy and her family, especially one special night on a train bound for Paris.

“ On several occasions in the 80s and 90s, Nancy was a directing teacher for some of our 5th year masters degree students in English Education from the University of Florida. Nancy was among the top echelon of directing teachers. When she signed on, I knew that I could assign a top notch student who would have a simply outstanding learning experience at Vanguard High School. In one instance, I had to reassign a student teacher from another high school in Marion County because that directing teacher was found to be inadequate, but Nancy bailed me out about three weeks into the ten week assignment and that teacher, of course, blossomed under Nancy's tutelage! Please accept my profound sympathy on the loss of Nancy. Please know that she was a jewel in our field of English Education. Peace and love in Christ from a fellow Methodist, Dr. Robert G. Wright, Ph.D. Professor Emeritus 1971-2002, University of Florida

“ Nancy and I shared the IB juniors in English and AP US History for years at VHS and I always enjoyed our discussions of the students that sat in front of us every day...she was both sharp and humorous. The world is a lesser place without her. My sincere condolences to Don and the Werhner family. Lou Morrison - VHS
