

## Nicholas Chasteen

May 24, 1986 - July 10, 2016

It's very hard to put a man such as Nic into words. His character, personality and outgoingness to make people smile says a lot about the kind of man he was. He started at the bottom of the food chain with his business like a lot of us have. His motivation to keep striving was because of his family. To keep them fed, sheltered, given the things he was neglected of as a child. Good or bad he made sure they were taken care of in every way shape or form. As far as a friend, you couldn't ask for a better one. If you were cold and needed a shirt, he'd give you his no questions asked. He was a genuine, all around amazing man that helped a lot of people that were fortunate enough to know him. He always spoke the truth, never held back. Told it like it was. And everyone respected him for that. There won't be a day that goes by that he won't cross our minds. The good he did for a lot of Ocala is an understatement. His spirit will live on inside all of us for all of eternity. Nicholas is survived by his Mother Karan Nichols of Ocala and Father Billy Wayne Chasteen of Seagoville, TX. His wife Amanda and two sons Isaiah and Jensen of Anthony. An account has been established to help take care of Nick's kids. “ We will never forget what you have brought to our lives. We will never forget the smiles and love you showed and shared with us. We will always be as grateful as we can for the life we are given with you. I cant express enough or find the right words to express how I am currently feeling. I am sorry for everyone including mine and Nics family. My heart is forever broken and so incomplete. You became my bestfrind in a blink of an eye. We were inseparable from day one. You became an outstanding father anyone could ask for. We even eachother out in the toughest of times and never fully gave up. You overcame tough obstacles and were the best son and son in-law ever. My promise to you is I will never stop talking about you with the boys and I will forever Love you until the end of time. I promise to stay as strong as I can. I am so sorry.

“ Nic, We were so blessed to know you. You are one of the most amazing people I have ever known. I say "are" because I know the kind of spirit you had and you are still with us all. I loved our long talks about business or politics or of late, about art and things you were doing creatively. I love your children more than anything, and you know how much I love Amanda. She is the daughter of my heart. Her sister is my daughter. Nelson keeps calling out for you, and I know you're here too. You are one of the most amazing, hard-working, funny, caring, loyal people I have ever known in my life. Our grief will always be entwined with our love for you and for Amanda. I will tell Isaiah and Jensen stories about how much I loved you, and how much we laughed. I will always take care of Amanda, as the daughter of my heart. You were her only love, her best friend, and her life. I will never let her be left to fend for anything. Though I know she has this amazing mass of friends and the support and love pouring from Ocala and around is stunning in it's hugeness, and she is strong and will find purpose with your sons in her life - you were her other half. And, I know you are there with her, holding her up - because that's what you did. I love you Nic, Nelson loves you, Cait, Kris and Matt - You are so missed and so loved that as you travel through your peace I know you will always be there making sure Amanda and the boys are doing well. We will all try and do our best and we know we can't even come close. Forever and always, with all our hearts and souls, Cherry, Nelson and the family, your family.

“ I am at such a loss for words as none can describe the feelings that I have. Just one more day to have another chance to say I love you and how proud I am of you for the man you were. Heaven gained an angel. Look for me one day because I will be looking for you nephew! Amanda...there is nothing I can say to help make your loss less, but know that you and the boys are loved and Nic is always watching over you. I'm just so sorry. Aunt Nola

“ Dear Chasteen family, I am very sorry to hear about your loss. When we lose a loved one in death we may ask ourselves questions like "why do we grow old and die?" or "will I see my loved one again?" The Bible provides satisfying answers to these questions and more. (Romans 5:12) (John 5:28,29)
