“ *We never met Nick in person, but had the pleasure of talking with him over the phone several times, and through emails. It warmed our hearts to know that Sheila had a partner that cared and appreciated her devotion. Be well Sheila in the knowledge that Nick is with the Lord, and smiling down on you. Love you always, Danny and Barbara. "In all things God works for the good of those who love Him." ROMANS 8:28 NIV*

“ *I have not seen you in quite a few years Nick. However, Brooke and Lucas shared some stories with me when they would come and visit. Lucas absolutely loved that you would watch the history and military channel with him and Brooke has told me what a good man you are. They will miss you dearly. For myself, I will cherish the pictures you took for me and Jasons first wedding. They are such beautiful memories and I thank you for that. After reading more about you, I learned of what an amazing life you have lived! You will be missed, but most importantly, you are loved and remembered! With all our love, Brooke, Lucas, and Tracy*
