“ I feel I am the only one leaving any words; sad all those supposed friends that had your back. Babe your death was in vain and I truly will find justice for the horrible situation you always found your self in. So many did you wrong and never really knew you. I love you and truly miss you and so do your kids. We talk about you everyday your spirit will be with us always and forever. Love you Lisa, Darrien, Kalon, Nico and Tyler.
