

Nicolas Aiden Kane

December 26, 2001 - February 17, 2019

With deepest sorrow we announce that Nicolas Aiden Kane, age 17 our most beloved son, Nephew, cousin, and friend passed suddenly on Sunday, February 17, 2019 in a tragic accident.

Those who knew Nick, even just a little, lost a charismatic, shining light in their lives. During his freshman and sophomore year he was involved in the ROTC program at his school. Nick enjoyed playing video games. His most recent project has been building his own gaming system which was consistent with his future plans of being a gaming engineer. He enjoyed eating lobster and spending time with his family. Nick most recently took to spending time helping his mother with her homework and often joked about her not attending the same academic program as him.

Nick will be missed everyday by his Mother Margarita Marquez and Father Michael Kane. He will also be dearly missed by his grandmother, grandfather, aunts, uncles, many family members and friends including his cousin Anthony Marquez.

Please join us for a funeral mass at St. Anthonys Church located at 893 Central Street Lowell, MA 01852 on March 30, 2019 at 12:00. After the mass there will be a reception to continue fellowship and celebration of Nicolas at the Lafayette Club at 465 Fletcher Street Lowell, MA 01854 at 1:30pm

In Lieu of Flowers contributions may be made to the Humane Society or to West Port High School Engineering Program*

Death leaves a heartache no one can heal. Love leaves a memory no one can Steal.
