“ One of the greatest blessings of my life was having you for my mother.I remember so many things about you from the time I was little to the present.You always had a hug and kiss for me and sometimes even your shoulder to cry on.You always saw the good in people and had such a generous and loving heart. Your favorite color was yellow and you loved flowers and plants. I guess I got that from you.Mom I will miss you.In the Bible we are told that life is but a vapor and what we can look forward to is our eternal home if we have followed what our wonderful Lord has told us to do.You and I talked about this a lot. I will look forward to the day I will see you again.I love you mom. Your daughter Paula.

“ My Aunt Norma had the best soft voice and her voice always had a bit of humor in it. She was ready to laugh and always to love. I think of her as having a bit of mischievousness, ready for an adventure. Whether to run to the corner for something or staying up all night talking. Aunt Norma was full of life. I read once that... You can shed tears that she is gone or you can smile because she has lived. You can close your eyes and pray that she will come back or you can open your eyes and see all she left. Your heart can be empty because you can't see her or you can be full of the love you shared. My cousins and Uncle Mark, no words can help much with your heart pain. I will end in saying I am so deeply sorry that she is gone.

“ I'm so sorry for your loss! In these times of deep sorrow God's word provides so much comfort. Revelation 21:4 promises a time when pain and sorrow will be of the past. I hope that it gives you as much comfort as it has me in these difficult times

“ I feel I knew Mrs. Hollingsworth because of her daughter, Julie, an individual of incredible integrity and delightful humor. Surely, she inherited these qualities from her Mom! When the light of Norma Hollingsworth was extinguished, it left the world a bit darker, but hopefully, wonderful memories and treasured moments will keep alive this dear woman for her family and friends. My sincerest condolences to Julie and Perry - I am so sorry for their loss. I know, too, that your Dad must feel anguish at the loss of his lifelong partner and soulmate. My prayers and thoughts are with you at this time.
