“ *My best memory of Tia Norma is her gentle spirit and beautiful smile. She exemplified some of the qualities of a Proverbs 31 type of Woman described in the Bible, such as Kindness, Loyalty and Perseverance. You have fought a long fight with illness but continue to persevere in the midst of trials and testing of life. We thank God for your life and the legacy you leave behind; and may you now RIP, until we meet again at the Resurrection in Jesus' Name!*
