

Norman Martin

April 16, 1948 - November 23, 2016

I am writing on behalf of Norman "Monkey" Martin, the love of my life. Monkey was a wonderful man whom changed my life. He changed the lives of the many people he came in contact with and were loved by him. He loved his daughter Summer Lynch unconditionally. He also love Garry Dickey and Janice with all his heart. He loved his 14 grandchildren. He loved Edwards Construction Company and enjoyed his time in the Army. He will be missed by all who knew him. He loved his step-daughter Katrinka Addison, Michell Rockwell and Dora Dove and he loved his wife Janet who he has now joined.
