“ Hello Daddy, we are just sitting here, talking about you, about the good old days, about the time we had together, what a cool father you have been. Thank You for being there for us. (At least some times. :-))Buba tells me, the older she gets the more parts of U she finds within herself. Our love 4 U is unsure past and everlasting!

“ Hello Daddy, I was just thinking about you and thought I'll sent U a line or two. My birthday was yesterday I turned 50 now. Feels funny to think of it. In a not so far away future I will be up there in age and hopefully wisdom.(lol) Well anyway I am thinking about you, Knowing that the time we have left here on earth is not so incredibly long anymore, I am happy to become one with U again. So be a bit more patient the time of rejoicing will come. I look forward to it, Life hasn't been what I expected it to be. A lot of sadness and pain but den on the other hand also a lot of happiness and joy. I guess there can't be one without the other. Love You ... one of your sons..... This one here is Alvin
