“ I never had a chance to meet you but, you have raised a son i love him like he is my brother. That pretty lady i am greatful. On this day it wants to rain. The angels are weeping, their tears are falling from heaven. The tears they cry is not of pain and sorrow. They are happy that god has sent them another angel. Whispers in the wind are angels saying so softly welcome home Oma.

“ I didn't know you personally, but you must have been a special lady to raise a son like Thomas. I know your family will miss you very much, but they can know that they will have an angel looking out for them. My thoughts and prayers are with the family at this time, as you don't need our prayers now because you are home with God. May the good Lord help all your family through this.
