

Pablo Duran

May 5, 1942 - February 15, 2023

Pablo Antonio Duran was born on the 5th of May in 1942 to Maria Lydia and Telesforo in Santiago, Dominican Republic. On 12-25-62, Pablo married the love of his life, Dulce Maria Ciprian. Approximately 5 years later, Pablo moved to New York and worked hard to provide the best life possible for his wife and children.

Pablo is survived by his wife of sixty years Dulce, his sons Henry and Adlai, his daughter Lissette Joseline (Josie), his five grandchildren Melissa Martinez, Jean Claude Duran, Jaden Martinez, Leo Duran, and Maximus Duran, and his 6 siblings Romeo, Porfirio, Altagracia, Julian, Consuelo, y Rafael Duran.

We remember Pablo as a handsome and playful man with a beautiful smile who was a faithful servant of Jehovah until the day he passed away. He loved to read and gaze at the stars through his telescope, watch nature shows where he reflected on creation, enjoyed cooking, photography, listening and playing music, and often entertained himself with DIY projects. His daughter would always be amused at all the contraptions he would come up with. Pablo worked as an optical technician for many years until he retired. He was a loving father, husband, grandfather, and friend to everyone he met. He diligently served as a congregation elder for many years and had many close friends which he considered an extension of his family.

A special thank you from his children to his congregation for their loving care, support, and friendship throughout the years.
