“ There are some songs that I will always hear Sister Pam's voice. Her unique worship will be missed. Her presence will be missed. But memories of her faithfulness and love will live on in our hearts. Our condolences to the the family and friends mourning her passing. Our loss, but heaven's gain. We will meet again sister.

“ I write this with great sadness and disbelief over the loss of not just a church member, but a very good friend. This beautiful woman, inside and out was dedicated, loyal and always supportive in whatever I asked of her. Pamela was loving and real and a good mother to her children, caring and giving to her grand children. I pray Gods' mercy and peace upon this family. Just remember that His love endures forever.

“ Finding the words to say has been extremely difficult for me. So, I will just say that our Lord Jesus Christ is faithful and He knows what He is doing. I know Pamela loved the Lord and I am confident I will see her again. Lou, Kimberly and grands -- she loved you all so very, very much.

“ Prayers and warm thoughts to the loved ones of Ms. Pam (as I've always called her). I have fond memories of Ms. Pam from being friends with my mom and being choir director at my childhood church. What a sweet spirit with an angelic voice that will be missed dearly!

“ I don't even know where to start. Pam was my friend. I've known her for 25 years. Watched her children grow into adults as well as her grandchildren.

My saving grace is I know my friend is with Jesus, she is singing and dancing with her Lord and Savior. Pam was an awesome and dedicated choir director, that was her 1st love. I will miss my dear sister in Christ and friend. Lou and Kim your mom has climbed the stair way to heaven and she had a very warm welcome. With sincere sympathy , Monique Foster
