“ We met in 2010, just weeks following our arrival in NC. I worked for you at Pine Needles that very first summer. You were so organized, so competent and so caring about everyone that worked for you. Over the years we faced each other in golf and no matter which of us was victorious, I remember us laughing for the entire round. When Glenn was working as your Rules Official, you always saved him a lunch...even when you weren't supposed to. We saw you just last month when you came north for the US Open. You were so happy to see us and play "in our backyard" with your friends. You will be so dearly missed by everyone.

Don,
You are in our prayers.
Sincerely,
Patty and Glenn Camp
