“ *I have so many fond memories of growing up with Pam in the neighborhood. My grandmother lived across from the Parramores (and then the Shores built next door) and I was probably about 6 I think when she moved there. I had such a good time back then - Pam was always very dear to me ...I still think of her often.*

“ *Pam and I lived in the same neighborhood when we were little girls. We played together from babies to elementary School. Mr. and Mrs Lewis I have such wonderful memories of our time together!! Every year someone would bring bushhels of oysters, and all the kid's would wait with our crackers for our Daddy's to open them up for us!!!! Verna alway's had a pot of coffee going no matter what time of day!! I just saw this posted on the Forrest highschool reunion page. I'm sad to know that Pam is gone. My prayers are with you all! “ Pam was my childhood friend. Thinking of her brings back memories of simpler times. We were the same age and she was too young to pass away. I know she is at peace and I hope her family is too.

“ Dear Pam you will be missed and shall forever be in my fondest of memories. Have thought of you often over the years, always reflecting on the wonderful memories of us playing together, since we were little all the way through our high school years. As life challenges us and we moved on with our lives, you were always a fond memory of the simplest of times during our childhood of two kids without a worry in the world. God Speed. JD, Verna, al, and David you are in my prayers and thoughts through this difficult of times, remember the greatest of times and understand she is in a much better place. Jeffrey
