

Patrice Stacey Ann Bailey

February 8, 1973 - February 27, 2026

Patrice Stacey Ann Bailey, a beacon of light and love, passed away peacefully on February 27, 2026, in Ocala, FL, at the age of 53. Born on February 8, 1973, in the beautiful island of St. Thomas, Jamaica, Patrice was the cherished daughter of Merlene Roberts and Phillip McCalla. She carried the warmth of her Caribbean roots throughout her life, spreading joy and kindness wherever she went.

Patrice's life was a tapestry of dedication and passion, woven with the threads of her love for education and the arts. After her graduation from Andrew Jackson High School in 1993, she pursued her zeal for learning by obtaining an Associate's degree in Education from the University of Phoenix. She went on to illuminate young minds as an educator in the Marion County Public School System, where her humor, creativity, and faith-filled spirit inspired both her colleagues and students.

Her legacy is carried on by her beloved children Theronese Moulton, Trevon Moulton, Alisha McCalla, and Alyssa Bailey, who were the center of her world. Patrice's joy multiplied with the arrival of her grandchildren, Tyree Studivant, Kash'mere Blair, and Kingsley Blair, Juvel McDonald, Tori Martin and Trevorniece Moulton who brought immense happiness to her later years. Her unwavering support and guidance have left an indelible mark on their hearts.

Patrice's memory will also be treasured by her brothers, D'wain McCalla & Robert McCalla along with her adored nieces and nephews, Janielle and Toellane McCalla. She was a source of strength and laughter for her family, who will miss her deeply. Patrice's life was enriched by the presence of special friends Michelle Francis, Tracey Kollack, Tanya Sappleton, and Althea Barclay. Their shared memories will continue to bring comfort and smiles to all who knew Patrice.

A gifted artist, Patrice's creativity was evident in her love for arts and crafts. Her handmade treasures were not only expressions of her artistic talent but also tokens of her generous spirit. She found joy in creating beautiful things and even more joy in sharing them with others.

Patrice's life was a testament to her faith and her ability to find humor in every situation. Those who knew her will remember her funny anecdotes, her creative solutions, and her unwavering faith that lifted them during difficult times. Her presence was a gift, and her absence will be felt by the many hearts she touched.

As we bid farewell to Patrice Stacey Ann Bailey, we celebrate a life lived with passion, love, and a touch of creative flair. Her laughter, wisdom, and spirit will continue to guide us, reminding us to embrace life with the same enthusiasm and faith that she did every day. Patrice's journey may have come to a close, but her story will be told for generations, as those who loved her carry her legacy forward.

We stay comforted in the fact that she helped to make this world a better place for all of us; those she knew and those she did not know. Her soul lives on and the memories of her, will remain examples to guide others into being better versions of themselves. We celebrate her as a gift to humankind and release her to continue her soul unfoldment into another phase of her journey.
