“ I knew Pat at Stetson University many years ago. Unfortunately I lost track of her over the years and am very sorry that she has passed. My sincerest condolences to her family and close friends.

“ Pat was a loyal friend to me for over 40 years, after having lived with her at Stetson University. In recent years, we'd celebrated our birthdays and Christmas together in DeLand, where Stetson is located. I will miss talking and emailing with her about current events in our lives. She's now with her angels. May she rest in peace.

“ I met Pat in 1971 as we both entered Stetson University as freshmen. We were suite mates and became life-long friends. Pat was kind, thoughtful and loyal. Along with our dear friend Debi, we attended classes, played intramurals, were active in the BCM, and went to the beach and Blue Springs. We shared countless happy moments and she will truly be missed. My thoughts and prayers are with her family.
