“ *Mommy Salami, God is our Creator, Protector, Know all and Be all and my heart is at ease knowing you are with him now in peace and serenity. There is no more sickness or darkness for you there is only light. You have been an amazing mother, daughter and wife all 60 years of your life. And although your journey may have been shorter than some, the footprint you made on our hearts has been infinite. You will forever be missed, thought about and adored. I will cherish all the fond memories I have of you as a child all the way up to you seeing your baby girl bring her very own child into the world. I wish I could have just one more day, one more conversation, one more laugh, one more cry with you on earth with you Ma. Until I see you again...tell Jim, Marilyn, Janis and Elvis move on over Trish is in the building!! LOVE YOU FOREVER AND ALWAYS, YOUR BABY GIRL TRACY XOXO*
