“ *My Condolences go out to the family. The bible gives us comfort. Jesus Christ himself said: Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out. John 5: 28,29*

“ *I had the privilege of meeting Pat earlier this year. She taught the Professional Guardian course I attended in February. She was the most generous person I have met in many years. She shared her experience, knowledge, and advice with us for 5 days. I will always treasure my short time in her presence. She was a true angel to many people in our community. Now she is getting the wings she deserves. All my sympathies to her family. You must miss her terribly.*
