

Paula Kay Danforth

May 10, 1953 - May 15, 2022

Ocala, FL – Paula Kay Danforth rode her spirit horse from Estelle’s House Hospice, Marion County, late in the afternoon of May 15, 2022. Paula had been dealing with osteomyelitis, and was found to have a recurrence of her stage 4 lung cancer.

Paula was born on May 10, 1953 in Manitowoc, WI to the late Forrest C. and Marjorie (Hermann) Danforth. She graduated from Lincoln High School with the class of 1971.

Paula always had a love for animals, especially horses. She ended up spending most of her life around horses, eventually and finally working for Niall Brennan Stables in Ocala, Florida. A dream job for a lover of horses, to be around the horses that she loved every day, at a thoroughbred race horse farm.

Doesn’t get much better than that...

Being in Florida for most of your life, we didn’t get enough time together. Miss you, Big Sis...

“ *I always loved seeing her at the Cottage every summer, s'mores at the bonfire, her Shamu inflatable in the water, talking horses. I always wanted to visit her in FL but timing was never right and covid lost time to travel. Love You Auntie Paula ❤️*
