“ Dear Grammie,

*Thank you for always sitting with me and telling me stories. I'll forever treasure our Sundays spent together. It feels unreal that the chapters of my life which contain Grammie and Papa have come to a close. You weren't just my beautiful grandma, but also the tie left holding me to Papa's memory. It was always difficult to revisit stories or talk about how much we missed him, even 10 years later. Now I'd give anything to shed tears with you instead of for you. I love you so much, and papa too. I know you felt cared for and loved to the end. I'm glad our last words to each other were our usual goodbyes; "Goodnight, I love you, I'll see you Sunday". Forever wouldn't have been enough time with you.*
