“ Peggy lived with us for a few years and we would always hang out in Bobby's Camaro listening to 8tracks. In 1977 she took me to my first concert to see hotel California in Philly at the spectrum. Peggy was so much fun to be around. She introduced me to so much good music. She was my absolute favorite cousin, and we always had a blast together. Peggy truly was a wonderful person inside and out and I'm never going to forget all the great times we had together. I love you Peggy, forever. - Mike Hewitt
