“ *I will miss talking to Peter and sharing memories of years gone past. At the first convention of the National Association of Quick Printers I met Peter and we had dinner at the Denver Airport and he inspired me to go full time into the quick printing business. We shared many great moments and hugs over the years. We talked of getting together and his latch string was always hanging on the outside just in case we got down to Ocala. I know he and Renee shared a beautiful life together and we will all miss his warmth and humor, not to mention his sage advice. Goodbye good friend and mentor! Bob*

All who know you also know that you have just moved on and have taken the lead. We are all lucky to have a new Angel to watch over us. In your words " Peace, Love and Joy*

“ I had the privilege of being Pete's business insurance agent for many years. I rememebr with great fondness the many conversations we had...more about life than business. Pete was always so willing to give, to be a teacher, to lighten up your life. I missed seeing him over the years but thought of him often. He was one of the "good guys". The world lost a treasure. My thoughts and prayers are with the family. Thank you...and as Pete would say...God Bless! .

“ Thanks for the kind words of encouragement to a youngster starting his own Printing Business. I remember talking shop once or twice and it was always an enlightening experience. I still had an old peter Quick Printing calendar hanging in the shop untill 2009. When I get the Print Shop Open again I think I will have it framed. Steven, Modern Graphics & Printing.
