“ PJ was a nearly lifelong friend and a truly remarkable person. I had the honor of performing her wedding ceremony with Paul on Fort Myers Beach on Valentine's Day 1992. A cherished memory, it was a day filled with love, laughter, and the promise of a beautiful future together. I've never known a couple more devoted or happier than PJ and Paul.

When I became a team truck driver, PJ had a unique way of sharing our adventures with her students. She would often regale her second-grade class at Marion Oaks Elementary School with tales of our travels, the different places we visited, and the fascinating cargo we hauled. Her lesson plans were always creative and engaging, often inspired by our recent trips. I still cherish the letters and artwork I received from her students—they are some of my fondest memories of being a truck driver.

Paul and Devin, please know that you are in my thoughts and prayers. Your wife and mother was a truly extraordinary woman who touched the lives of everyone she met. Her kindness, generosity, and unwavering spirit will be deeply missed. I am here for you both, and I will always remember the joy and laughter she brought into our lives.

“ PJ always had the best stories to tell. We last saw each other at my Grandma's 90th birthday. PJ told us about her pet alligator she had as well as our Viking lineage. She was so much fun. <3 Heidi
