“ Priscilla & Bob Hunter we're our very dearest friends. Even though the years separated our physical connection to them we've always had them both in our lives every day. Every time we look out at the Bocce Court Bob helped build, the memories of all the fun everyone had during those special years lives on with us forever. Having these happy memories is the fiber that gives us the strength to deal with the pain we have to get through this loss. Our prayers are for all the Hunter Family today in the hope that their love for each other will get them through this sad time, knowing that their Mom is at peace & without pain now forever. All our Love to everyone, Paul & Buffy Thompson & Family
