“Pat was the best neighbor anyone could ever asked for. She was like a grandmother to my two daughters, Ashley and Lauren. Tim and I were so blessed to have her as a mentor to guide us as we raised our young family. My family spent many hours at her house, swimming in the one and only pool in the neighborhood. We marveled at all her projects. No job was too big for Pat. She could tear down walls and erect others all in a day work. She had a green thumb that allowed her to bring back to life plants which most of us would have given up on. Her positive attitude and love for all her family was always apparent. Pat knew and was respected by just about everyone in Ocklawaha. She will surely be missed but many loving memories will remain. God Bless her and may she rest in peace.

“Priscilla was my favorite aunt. She was beautiful, kind, and so much fun to be with. I always smile when I think of her. I cherish the memories of her in my childhood when they would come down to Missouri every summer and visit us. And the memories of her when I spent the summer in Flint, as a teenager. I was blessed to have her in my life. She was loved by many, and will be missed by everyone who knew her. Rachel, Diane, Donnie and Tina, I am so sorry for your loss. You were truly blessed to have her as a mother. May you be comforted in knowing that the Bible says, that in His presence is fullness of joy and at His right hand there are pleasures forevermore, Psalms 16:11. My thoughts and prayers are with you and your family. Love you, Debbie

“ I am so sorry for your loss. Priscilla was always so full of life. I am happy that you all have so many good memories of her. I do, too, although mine date back many years. I always admired her and thought she was so beautiful. She had so much talent and energy. I am shocked to hear about her death, even though you had indicated that it would only be a few weeks. We can know there is a hereafter, and we need to be ready to meet her. I love all of you.  
Your Cousin, Lee

“ Mom, minutes before you passed, I said "you've been a wonderful Mother" and "I love you". You were truly My special angel. I always thought the whole world must have stopped for a moment of silence at your passing; and I believe it did. Your love of life was so vibrant. I will miss you so very much; as I do now. I loved your easy-going attitude and your beautiful smile. I was amazed at your endurance while ministering to the sick. When something new came out, you were the first to tell us kids about it. You were a gracious host to all who came to see you and made everyone feel right at home. I Love YOU, mama. You truly loved others and were my shining example. Love, your daughter Diane

“ Mom, If you could hear the words I would love to share, you would be able to listen to a moving tribute to you. One that sings your praises, speaks of an unending love and gratitude, and describes how much I'll always appreciate you. If you could imagine one of the nicest gifts anyone could ever receive, you would begin to understand what your presence in my life has meant to me. So many of the smiles in my heart are there...because of you❤️ I miss you Ma Tina
