“ Rachael I miss you every day, every week, every month, and every year that goes by. I still can't believe the tragedy that happened to you 5 years ago today. What keeps me going every day is I know you are watching over and that you would want me to keep going. I love you and I miss you so much. You were really the best friend I could ever have. R.I.P. Rachael, Forever and always, Siana.
