

# Rachael Leigh Vanderlin

May 6, 2020 - January 4, 2020

Arrangements are pending

# Tribute Wall

DE

“ *Rachael, I heard about you since you were born from my father Ken Lundy and my step mother Ann Lundy. We spoke one time when you were visiting or living in Pittsburgh. You are such an incredible woman, your determination and zest for life was so inspiring! You lived each day with such passion, your brought so much joy and love to others! My deepest sympathy to the family. Love, Danielle Erringer*
