“ Did I ever really thank you. For all that you had done? For cherishing my mother, And taking in her kids! For all the things you were to us. And all you meant to me? For being so much more than Any stepdad had to be? You came into our lives right when We needed you the most, You healed my mothers wounded heart, And drew our family close. You helped me come out of my shell, You were my truest friend. You loved us all with all your heart. Right up until the end. Oh! How I wish I'd told you. Much more often than I did. How you were quite a hero. To at least us happy kids ! I wish that God would give to me Just one more hour to say. All of the things I should have said. Before you passed away. Love you always, Robin (Aisha) Iqbal
