Raymond grew up in Mansfield Ohio and worked many years with his father at Mansfield Bakery. He then moved to Florida where he met his wife Sandra. Raymond and Sandra divorced but remarried after over 20 years. It is a true love story from beginning to end. Ray loved to fish and he loved his family, including his 4 grandchildren. Ray and Sandra loved to be together and took every chance they could to go exploring. Raymond was an active member of The Church of Jesus Christ of Latter-day Saints and served in the community often helping with everything from food delivery and moving people to hurricane disaster relief. Raymond valiantly fought glioblastoma brain cancer for 9 months at home. He entered Cate's House (Hospice) where they took great care of him. He was able to receive visits and lots of love

during his time there. It was an extremely tender time for his family and we are grateful to have had it.

“ *I remember when Brother Harmon received the Melchizedek Priesthood and was able to provide his wife with a blessing of healing. Now, he has the opportunity to help hundreds of thousands of people. Our great loss is so much of a blessing for many more people.*
