“ We laughed together, played, danced, and had much fun in our early years. Knowing you after you graduated high school, we met at our jobs together. It's so sad now that you're gone. I called you thinking you were in Facebook Jail, and left you a message asking you to call me back. I felt something was wrong when I didn't hear from you.. Just know that I loved you my Dear Friend. Rest In Heavenly Peace Renee❤️
