

Rhonda Gail Mitchell

July 24, 1952 - February 2, 2025

Rhonda Gail Mitchell, lovingly known as “Gail,” passed away peacefully on February 2, 2025, at the age of 72. She was a devoted wife, mother, grandmother, sister, and friend who brought warmth, laughter, and an undeniable spark to everyone she met.

Gail spent her career as an educator in Marion County, where she touched the lives of countless students before retiring. Never one to slow down, she pursued her passion for real estate, working with dedication at FoxFire Realty in Summerfield, FL. She was a woman of many interests, enjoying the competition and camaraderie of pickleball and the joy of exploring new places on cruises.

Gail had a gift for staying connected—she loved talking on the phone with family and friends, always eager to know what was going on in their lives. She was a natural caregiver, finding joy in being a mother and taking care of those she loved.

She was preceded in death by her first husband, Larry Marsh, the father of her sons, Brian and Jason. She is survived by her loving husband, Theron Mitchell; her sons, Brian Marsh (Mary) and Jason Marsh (Jennifer); and her cherished grandchildren, Gavin, Evan, and Brooke Marsh. She also leaves behind Theron's son, Tab Mitchell (Clio), and their son, Blake. Gail is also survived by her beloved siblings, Patricia Hardy and Donald Cooper.

Her presence brought light, laughter, and endless love to those around her, and she will be deeply missed by all who knew her.

“ Gail and I became good friends while working at Belleview Elementary together. I remember how much I would laugh when I was with her. We even formed the “Donut Posse” with a few other colleagues and such good memories were made. Gail was a wonderful friend and I will miss her. My condolences to her family.

Gail was a warm and loving person. She was my daughter's third grade teacher and my friend. She played a pivotal part of my daughter's life and love for teaching, because of her influence my daughter is now an assistant principal. I believe Gail played an important part in hundreds of children's lives. I know she touched mine and made a permanent place in my heart.

“ *I am so sorry and sad for my family's loss of Gail. My big sister, my friend, my constant. She was taken too young and too suddenly. She loved her sons Jason and Brian so much as well as Jen and Mary. She adored her grandchildren Brooke, Gavin and Evan. They should have been able to grow up with her in their lives. Gail loved holidays because she always spent them with her family. We stayed in touch the last few years mostly by messaging or phone because she couldn't leave her home much due to Theron's health. She was a very devoted caregiver and wife. She loved hearing about my travels as well as my Jennifer's cruises, because she could no longer go on cruises, which she loved doing. She always had a smile on her face. We never shared a bad word between us, and I doubt she did with anyone. I will miss my big sister. This doesn't seem real. Goodbye for now sis...watch over us and I'll see you again one day. I Love ❤️ you.*

“ Gail was one of my best friends. This just so breaks my heart and seems so unfair. She was always a joy to be around 🧠❤️. We talked and texted on a regular basis. Her life was lately consumed as a caregiver which she did with pleasure. She was like a big sister to me. We talked about everything. We loved eating Mexican and having a margarita As a teacher she had a kindness and dedication to all of her students which loved her. She loved her family and was always talking about each of them and how special they were. I am already missing her immensely!! RIP Gail. Love you bunches 🙏🙏🙏. Love and hugs to all of her family and friends
