“ At the temple there is a poem called "Loss", carved into the stone. It has three words, but the poet has scratched them out.... You cannot read loss....only feel it. My sincere regrets for the loss of Richard, goes out to each and every member of his family and to all of his friends. He will be missed by many. My friend and partner has left this life and I will forever have a hole in my heart.....bye, bye, Honey, I love You....and always will...
