“ We are so thankful for Richard and the Fuller family coming into our lives as neighbors back in the 70's when we were a young military family. Their Christian faith and love of family were a blessing to us, because as time passed we felt part of their family. Many vacations together were special fun times over the years. We know that big smile of Richard's is even bigger now as he celebrates the joy of God's love and claimed His promise of everlasting life. You will always be with us in spirit, Richard, and the memory of your smile will remain with us. May God be with you Helen, and all the Fuller family, as we know His love and His promise is our greatest comfort. We love you! Olyn & Janice

“ Lynda - I know that you will miss your dad but remember what I texted you this morning - "he is with Nana". As sad a day as it is for you and your family what a happy day it must be in heaven for him! I was blessed to have your dad in my life for a very long time. I will always remember the the card games, driving to the river after a football game (remember the chicken feathers)and good times on the river! It was even better seeing him this past summer at the beach - glad we got to share that time with him. Know that I love you always and will keep you and ALL your family deep in my heart and prayers. Love You, Joy
