“ Betty, We are so, so sorry to have been told of Rick's passing. We left the area, without telling hardly anyone. Rick and you were one of our closest friends and we didn't even tell you were moving. I do pray he hadn't been sick before his passing and we were devastated when we were told. I pray you and the rest of your family are okay. GOD has been so good to us, and we are so sorry we did not contact you when we went back to Ocala. Rick is with the Lord now, and has no more pains to endure. May the blessings of the Lord engulf you and your family in His loving arms, forever. Bill & Bobbi

“ Betty and Family - You have lost a wonderful Husband, Father, and Friend. I have lost a wonderful brother. My thoughts and prayers go out to you at this time. I will always remember Rick as a kind and thoughtful man. We enjoyed many good times together on and off the golf course. I will always remember the time Rick and you visited us in Colorado for New Years, and skiing. Rick also visited me there after Eddie passed away and we played several golf courses. I will surely miss him-- my little Bro. Don Goolsby (big Bro).
