“ *I just google's my friend Dick's name, and I got the sad news. I worked with Dick at American Express in the late 1970's. He was truly a good person, he's been to my home and my family knew him well. I'm heart broken....i KNOW he was disappointed that I didn't attend his wedding....but it was circumstances beyond my control. I will always have a special love in my heart for Dick. 05/22/12*
