Bob was a dear friend and we had been in contact the past few months before my husband passed. He drove me to school senior year in his white corvair - such great memories. He was such a sweet kind friend. So glad I had a chance to have him as a friend.

“ *Biggyman, as papaw Preston would call him was my favorite cousin. He was a medic in Vietnam and helped save his fellow marines after being severely wounded himself. He was always available to give advice to anyone who asked. When anytime at our family functions Bob would get out his guitar and entertain us with his singing. I and Kerry (cousin) had just spent a week with him in February. We had a great time because Bob was a great host. My prayers to Linda, Preston and all. Bob (Biggyman) will be greatly missed. I loved you Bob.*

“ So many memories of Bob growing up, I don't think I can choose one specific memory. What I will always remember is how he always took care of those around him, how he was always ready to help others. I pray for some peace for the heart, body, and soul. And for everyone to hold on to those good memories and stories about Bob, for that's how we carry him on.
