On to new adventures daddy may the ponds in heaven always be stocked and your line always have a bite!

*I love you and miss you and I'm sad to see you go.. I thought we had many more years together..
I love you old man Mr Br549 !!*

Love always your little girl

Ariel Hall - March 06 at 04:06 PM

You were like the older brother I never had. The guy that knew how to do everything and taught me so many things along the way. Your voice, laughter, sense of humor and gentle demeanor we will all miss. Will see you in heaven. You'll have to show me your favorite fishing spots. Say hello to my mom and dad from me. We all Love and miss You my Brother!!!
