

## Robert F Farnell Jr.

October 23, 1974 - September 12, 2025

Robert F. Farnell Jr., 50, of Ocala, Florida, entered eternal rest on September 12, 2025.

Born on October 23, 1974, in Hollywood, Florida, Robert—affectionately known as Bobby—was the beloved son of Robert Sr. and Joan Farnell.

After graduating high school, Bobby pursued a career as a plastic fabricator and repairman. He was a skilled craftsman who took great pride in his work. Most recently, he took a bold step into entrepreneurship by starting his own business—an endeavor he was truly passionate about.

Bobby was a deeply generous and selfless person, always willing to help others—even at his own expense. He would give his last dollar to someone in need, regardless of who they were or how he felt about them. His kindness and big heart were among his most defining traits.

Family meant everything to Bobby. He cherished time spent with loved ones—especially gathered around a fire, a cold Busch beer in hand, music playing, laughter flowing, and stories being shared. Becoming a grandfather brought him immense joy, and he looked forward to being a meaningful part of his grandchildren's lives.

An outdoorsman at heart, Bobby loved fishing and camping. He also had a passion for cooking and a real talent for it—especially when feeding the people he cared about most.

Bobby is deeply missed. While we are heartbroken that we won't have the chance to make more memories with him, we are forever grateful for the stories, the laughter, and the love he gave so freely.

He is survived by his loving wife, Christina Farnell; his parents, Robert Sr. and Joan Farnell; his sisters, Sharon and Amie; his children, Courtney and Robert; and his beloved grandchildren, Perry and Sophia. He is also survived by Daisy, who was like a daughter to him, and by many extended family members and dear friends who will miss him profoundly.
