“ *To the family of Bob (Fergy), I was very saddened to hear of the passing of my old buddy "Fergy". I consider myself very blessed to have worked with Bob at a few nuclear plants and have a friendship with him thru the years. I have fond memories of his laughter, kindness and mutual interests. We both loved music, fishing and relic hunting and metal detecting. From time to time when I came home to Ocala, I would get with Fergy and I knew it was going to be a great, joyous time. I will greatly miss his personality and friendship. Rest in peace my friend.*
