*Such character and interesting guy. Always had a little kid in him !!*

“ To the family and friends of Robert. I would like to extend my deepest condolences to all of you for your loss. The death of a loved one is very difficult to accept and even harder to understand. However Jehovah the God of all comfort promises in Revelations 21:3,4 that soon death will be no more neither mourning nor outcry or pain, the former things have passed away. May these words provide you with a measure of comfort now and in the days ahead.
