Robert "Bob" Frazier, a cherished family man known for his loving nature and handy skills, passed away peacefully on May 11, 2025, in Ocala, FL. Born on December 7, 1940, in Maryland, Bob was a beacon of kindness and a pillar of strength for his family and community throughout his 84 years of life.

Joe-Bob, as he was affectionately called by his grandchildren, was a devoted father to his children, Steve Frazier (Lori), and Sherri Brown. He took immense pride in his grandchildren, Jami, Justin, and Emily, imparting wisdom and sharing countless joyful moments with them. His role as a grandfather was one of his most treasured, and the legacy of love he left behind will continue to flourish in their hearts.

Bob's professional life was marked by his successful career as a Real Estate Broker. His colleagues and clients respected him for his integrity and dedication. His ability to "Bob-a-rize" anything that needed fixing or improvement became a running joke and a testament to his resourcefulness and ingenuity. His knack for solving problems and his willingness to lend a hand made him an invaluable asset both in his professional sphere and within his community.

A proud veteran, Bob served his country in the United States Air Force, a period of his life that shaped much of his character. The discipline, respect,

and commitment he learned in the service carried over into all aspects of his life, making him a role model to many.

Those who knew Bob would describe him as a loving and kind individual, always ready with a smile and a helping hand. His ability to brighten up a room with his presence will be sorely missed by all who had the pleasure of knowing him.

Bob's interests extended beyond his work and family. He was often found tinkering, fixing, or improving something in his home or the homes of those he loved.

As we bid farewell to Robert "Bob" Frazier, we reflect on a life well-lived, marked by unwavering love, kindness, and an ever-present readiness to help others. His memory will live on in the stories shared by his children and grandchildren and in the hearts of all who were fortunate enough to have their lives touched by this remarkable man.

He will be laid to rest in a place that is deserving, The Florida National Cemetery in Bushnell, FL.
