“ Stormy and I are saddened by your loss. In the brief time that we knew Bob, we immediately recognized what an outstanding husband, father and human being he was and the special bond he had with little slugger. We wish you all the best as you recover from your loss.

“ We wish to express our deepest sympathy to you Pat and your family on cousin Bobby's passing. Bobby and I were very close in our early years growing up. Living in the same two family house made it easy for us to get together as kids to go out and play our different games together. It would always be Bobby and I against Leo and my brother Pete. It was so much fun growing up together. I know Bobby will be missed. I just hope that the many prayers that are being said will help the whole family cope with your loss. God Bless Cousin Lou
