

## Robert Stanley Goodis

September 4, 1942 - July 16, 2022

July 16, 2022, Robert Goodis passed away at Cate's House in Ocala, Florida. His memory lives on through his three children, Michelle (Peter) Mourousias, Bobby (Lisa) Goodis, and Chris (Ana) Goodis as well as five grandchildren. He is survived by two sisters Darlene and Claire. Bob, as his friends knew him, was born in Jamaica, NY on September 4th, 1942.

He was preceded in death by his parents Peter and Ann and brother Richard. Bob entered the United States Marine Corps in 1961. He was stationed in Cuba, where he worked as a wireman to repair and replace the wires on telephone poles. In 1967, Bob was married and had his first child. After being discharged from the military, Bob worked for the telephone company and went on to work as a bartender on the Long Island Railroad. He was a social creature who loved working in positions that allowed him to interact with all sorts of people. Following a back injury, Bob went to work at the Penn Station ticket office once he was no longer able to lift the bars onto the trains. Bob retired from the Long Island Railroad in 1998 with his then wife to Ocala, FL from Brentwood, NY.

At Cherrywood Estates, he made a number of friends through playing poker and pinochle. Bob played in the lottery for decades of his life, keeping faith that he might hit the jackpot one day. He struggled with health issues throughout the past ten years of his retirement but was always determined to see his friends. One of his closest friends was his beloved cat Casey, with whom he will be buried.
